

# High Fives!

For those who go the extra mile!

Shout Out to Scott Kjornes, MIS Specialist who responded to my urgent call and like the professional he is... successfully got me (and my laptop) back up to speed while out at a remote site in Watertown. As Murphy's Law would have it Bombgar wasn't available, thus Scott was working "blind" on the issue; but he refused to give up and stayed through the lunch hour until he found a workaround. Thanks to Scott I was able to successfully finish the day with no problems. *Denise Grossman*

Though Christmas already seems like a distant memory, the Human Services Children's Division has not forgotten how astonished and overwhelmed with gratitude we are with Jefferson County. Thanks to all who donated to fill our Yuletide Barrels. Though we didn't get any pictures this year, you'll just have to trust us that the response was astounding! You have made a difference in the lives of some of our Jefferson County Families... *Human Services Children's Division*

I would like to thank the Finance Department for all their hard work over the last several months; implementing a new ERP/finance system, processing year-end reports and tax documentation all at once cannot be an easy task. I am not sure if many people are aware of the extra work it takes to ensure we get our W-2's in a timely fashion. I for one appreciate their efforts! Thanks for all you do! *Staci Hoffman*

## **Thank you to our Parks Department!**

Happy 2018! We are looking forward to another year of the quality service staff who maintain this park provide. Thank you so much. We live at W7779 Lamp Road. Every Monday morning, come grass growing season, we know staff will appear to manage this park. They power-wash the playground equipment, stain the picnic table and maintain the grounds immaculately. This park is used regularly by local residents and others drive up to take advantage of what Altpeter Park has to offer, parking in the old Lamp Inn restaurant area. Visitors come to picnic, play, walk, read, find peace and toss balls for their dogs Just thank you again for the staff you employ who care about the job they do.

*...Sincerely, Paul and Patricia Ogren who enjoy the area with our Granddaughter.*

The High Fives! Page is a way for peers to recognize a colleague and offer appreciation and gratitude. A way to say "Thank You" for a job well done.
